

## **Maintenance Questions**

### From the Big Book and 12 & 12

The purpose of this set of questions is to eliminate the need to purchase additional books in order to work the HOW maintenance program. As a secondary purpose the Maintenance Questions Committee has set about to organize the questions to coincide with the manner in which the Big Book was intended to be used as noted in the preface to the Big Book on page xi.

In the preface we are told the Big Book is a basic text. In school we were taught a textbook is intended to be used in a progressive fashion, beginning in the front.
